

Medicare Parts A & B

Basic Information

- This tip sheet introduces Original Medicare, which is Parts A and B
- One can sign up for Parts A and B or only one Part depending on circumstances
- Individuals with limited income and resources may be able to get help with premium and other costs
 - Visit the Medicare.gov website to learn more about the four Medicare Savings Programs
 - Limits vary by states and are subject to change

Additional information

- Some people may be automatically enrolled in Part A if they receive Social Security Benefits and are 65 or older
- Failing to enroll during the initial period will result in a late enrollment penalty and possible gaps in coverage (exclusions apply)
 - **Initial enrollment period** is a 7-month window that usually starts 3 months before the month you turn 65, includes your 65th birthday month, and ends 3 months after.
